Empress Reserve, Wolli Creek - Playground Upgrade

What are we doing?

Bayside Council is renewing the existing playspace at Empress Reserve, on the corner of Arncliffe Street and Allen Street, Wolli Creek. The upgrade will include the following improvements:

- Replacement of the existing play equipment with new equipment largely suitable for children up to 6 years of age
- New playground equipment will include a climbing unit with slide and multiple play elements, swings, spring rider, spinner, sensory panels and nature play;
- Colourful new shade sail;
- Vibrant new rubber wetpour and mulch surfaces
- General improvements to the park including new seating and concrete path connection from street, and new native tree planting

Have Your Say

Council is seeking feedback on the proposal.
